

CAMCO 42281 GREASE STORAGE CONTAINER

~~\$16.04~~ **\$10.99**

SKU: CMC42281

FEATURES

Camco's RV/Marine Cooking Grease Storage Bin provides a convenient location to dispose and contain cooking grease. It helps stop your RV or marine kitchen drain from getting clogged. After cooking, simply pour the cooking grease directly into the foil-lined bag inside the container. The foil liner bag can hold liquids up to 200-degrees Fahrenheit. Once emptied, the bin will lock-in any odors until the bag is full and tossed in the trash. This product includes (1) grease bin and (3) disposable foil liner bags.

SPECIFICATIONS

Weight	1 lbs
Dimensions	8 × 5 × 6 in
