THE **ASTORIA** ADVANTAGE.

Astoria Fifth Wheels wins in offering customers a unique combination of high-end features, robust construction, and unparalleled value. Built with vacuum bonded walls + floors, and Hyper Deck composite flooring, these 5th wheels provide superior durability and performance, while Azdel onboard ensures enhanced insulation and longevity.

Owners will love the real wood interiors, tankless water heaters, slide toppers, Curt Helux pin boxes, and other amazing amenities, all designed to elevate the overall camping experience. Astoria being a newer brand in the market, has forged its identity by creating a product with an exceptional collection of features that allow the owner to effortlessly create long lasting memories and fantastic adventures.

Dealers benefit from irreplaceable support through Keystone, including fully catalogued and numbered parts, and color-coded wiring for easy serviceability. With our benchmark amenities, and three-year fully transferable warranty, **Astoria offers an exceptional coach to make your camping trip truly memorable.**

Dutchmen® **DIY** **PROGRAM**

MAKING SIMPLE REPAIRS *FASTER & EASIER*

Dutchmen's do-it-yourself repair program and video library allow an owner, whose Dutchmen unit is within the terms of limited warranty, the opportunity to obtain materials to repair simple warranty items yourself and perhaps reduce the time and inconvenience associated with taking your unit to a dealer.

Some easy fixes that you may be able to complete yourself include repairs to blinds & shades, trim, cabinet doors, 12V lights, 12V light switches, door locks, door catches, graphics, gas struts, window handles & screens, fender skirts, seam tape and wraps, stove & sink covers, shower heads and hoses, and vent covers. We've provided a library of how-to videos on our website to help you. Please contact our Owner Relations Team to see if the DIY repair program can work for you.
